Norway High Champions.

Norway High School Basketball team defeated Deering High, Saturday night, in a challenge game for Championship of the State, 20 to 15. The game was very rough and fast. The Deering boys were much the heavier, but the locals were the faster team.

The locals out passed the visitors throughout the game, but Deering's rough way of guarding held Norway from a big score.

As Norway claimed the Championship, Deering, feeling that they were the best team in the state, sent a challenge to manager Chute. He accepted, and Deering reported that they were going to Norway to scratch out some "hayseed," out of the country boy's hair.

But if Deering found any hayseed in the country boy's hair, they were not the team that could do the trick.

The first half ended 11 to 8 in favor of Norway. But the last half was the star of that told the story. "Norway the hero."

The Browning Club Banquet.

The annual banquet and social evening of the Browning Reading Club was held at the home of Nellie Andrews, Monday evening, each member dressing to represent some advertisement. The guests assembled in the parlors and when the doors of the dining room were opened by "Rastus," the snowy clothes, dusky complexion and genial smile brought a roar of cheers and applause from all.

Two long tables were loaded with the good things which the club know so well how to prepare, and each found her place at the table by place cards in water colors, painted by the hostess. Every one was presented with a bag of beans and told if yes or no was spoken at the tables a bean was to be forfeited. This occasioned much merriment as many an unlucky one unconsciously answered questions, seemingly innocently asked.

When the club adjourned to the parlors, many pencils being provided, all wrote what advertisements they thought were represented by the others.

Among the advertisements represented were: "Uncle Rastus" in Cream of Wheat 1847, Bon Ami, Sapallo, Fabst's Malt, Baker's Cocoa, Welch's Grape Juice, Sherwin's & Williams' Paints, Scotch Whisky, Red Cross Remedies, Belladonna Plasters, Fireless Cookers, Keen Kutter Tools, Bromelady Dates, Tomato Ketchup, Deenison's Crepe Paper, Washburn & Crosby's Flour, etc.

Afterwards the club was called to order by the president and had the following discussion: "The Nation's Outlook," "Feminism," "Mrs. Edith Bartlett," "Optimistic," "Margaret Baker." Both arguments were keen and logical and scored many points for their respective sides and each member was called on to express her views of the question.

At a late hour the party broke up, expressing their thanks to the hostess and committee for the delightful time enjoyed by all, and adjourned to meet in one week at Mrs. Gertrude Libby's.

HAVE PRETTY HAIR

Thick, Soft, Fluffy, and no Dandruff—Use Parisian Sage.

If your hair is losing its natural color, coming out and splitting, or lacks that enviable softness, gloss and beauty, do not despair—pretty hair is largely a matter of care. If it is too thin make it grow. If it is harsh and brittle soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off.

Parisian Sage—all dandruff disappears, falling hair and itching head cease, your hair is doubly beautiful.

Parisian Sage, sold by Noyes' Drug Store and at all drug counters, is just what you need—a large bottle costs but 50 cents. It surely makes the hair lustrous and seem twice as abundant. You cannot be disappointed in Parisian Sage.

A REAL NERVE AND BODY-BUILDING MEDICINE

We believe Rexall Olive Oil Emulsion is the best remedy made for toning the nerves, enriching the blood, building up wasted tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired, out of nervous and debilitated, no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you feel better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and through the blood, into the rest of the system. Pure Olive Oil and the Hypophosphites have long been endorsed by successful physicians, but here, for the first time, they are combined into one preparation which, as a nerve-food and a builder of strength and health, we believe, has no equal.

If you don't feel well, begin taking Rexall Olive Oil Emulsion today, and build your health and strengthen your system against more serious illness. To convalescents, old people, puny children and all others who are weak, run-down or ailing, we offer Rexall Olive Oil Emulsion with our personal promise that, if it doesn't make you well and strong again, it will cost you nothing.

If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to you. We are sure that once you have used it, you will recommend it to your friends, and thank us for having recommended it to you.

Sold only at the more than 7,000 Rexall Stores, and in this town only by us.

Retired Georgia Planter's Advice To Kidney Sufferers.

Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with severe pains caused by weak kidneys, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it.

Sincerely yours,

C. E. USSERY,

Bowersville, Ga.

Personally appeared before me, this 8th of September, 1909, C. E. USSERY, who subscribed the above statement and made oath that the same is true in substance and in fact. T. H. McInnes, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will do for You.

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will contain the same medicine as the full size bottle. It will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Norway Weekly Oxford County Advertiser. Regular fifty-cent and one-dollar size bottle for sale at all drug stores.

Aged People

sometimes forget that poor teeth and improper mastication prevent sufficient nourishment from ordinary food and burden the digestive organs, but if every man or woman past fifty would fully realize the bountiful, sustaining nourishment in Scott's Emulsion they would take it after every meal.

Scott's Emulsion contains the renowned body-building fats of pure cod liver oil, so medically predigested that it distributes energy, power and strength all thru the body and simplifies the stomach's work.

To people in declining years we say with unmistakable earnestness—**Scott's Emulsion** will add years to your life and life to your years.

Willing to Serve the County.

Candidates for County officers blossom at the spring term. No exception this year, though the republican political sky is a little mixed. There are plenty ready to accept the offices and make a fight to secure them.

For senators, Stanley Bisbee of Rumford and Orman L. Stanley of Kezar Falls are announced and papers are being circulated. It is generally understood that Alton Wheeler of South Paris will be the Progressive candidate. The democrats make no announcement.

Harry D. Cole is a candidate for sheriff and hopes to get the nomination of both wings of the party. W. O. Frothingham the present democratic sheriff will be a candidate for re-election.

Nomination papers are in circulation for Fred B. Merrill of Bethel for Clerk of Courts, and hopes are entertained that he will get the endorsement of the Progressives. Judge C. F. Whitman the present clerk is willing to serve another term and his nomination is in the hands of his friends. The name of Judge W. E. Jones of Norway, has been mentioned for this office.

No candidate has been announced to contest the office of Register of Deeds with J. Hastings Bean, the present incumbent. Mr. Bean is willing to serve another term if it is the wish of the people to have him.

Henry D. Hammond's term as County Commissioner expires next January and as it has been the practice not to re-elect we presume here is a good office for someone. The name of Frank H. Noyes of Norway has been mentioned as a candidate for it.

No candidate has appeared to run against Geo. M. Atwood, County Treasurer.

PURE RICH BLOOD

May Be Had by Taking Old Reliable Hood's Sarsaparilla.

Pure blood enables the stomach, liver and other digestive organs to do their work properly. Without it they are sluggish, there is loss of appetite, sometimes faintness, a deranged state of the intestine and, in general, all the symptoms of dyspepsia.

Pure blood is required by every organ of the body for the proper performance of its functions.

Hood's Sarsaparilla surely makes pure blood, and this is why it is so very successful in the treatment of so many diseases and ailments. It acts directly on the blood, ridding it of scrofulous and other humors.

Hood's Sarsaparilla is a peculiar combination of blood-purifying, nerve-toning, strength-giving substances. There is no "just as good" medicine. Get Hood's today and begin taking it at once.

NOTICE.

Every owner or breeder of a dog more than four months old, shall annually, before the first day of April, cause it to be registered, numbered, described and licensed for one year in the office of the town clerk, in the town where the dog is kept, and shall keep around its neck a collar distinctly marked with the owner's name and its registered number. Whoever keeps a dog contrary to this ordinance shall forfeit ten dollars, one-half of which shall go to any complainant and one-half to the treasury of the town, and all dogs not licensed during the spring and summer months shall be liable to be shot forthwith by the keeper.

STUART W. GOODWIN, Town Clerk, Norway, Me., March 13, 1914.

Castor Oil is Tasteless Now

A Remarkable Step Forward in Oil Refining.

Pure, clear castor oil, without taste or smell, is a recent discovery of the house of Spencer Kellogg & Sons, refiners of vegetable oils.

The Kellogg mills take away the nauseating taste, but remove none of the good properties of castor oil.

As Kellogg's Tasteless Castor Oil is merely a purified castor oil, it works better than the evil-tasting, evil-smelling dose of the past, and does not upset the stomach. Children take it easily.

Kellogg's Tasteless Castor Oil has been supplied to all druggists, not in bulk, but in neat 25c and 50c bottles. It is necessary to ask for Kellogg's by name, to distinguish it from disguised castor oil, flavored with peppermint and other strong essences. The trademarked label bears a green castor leaf with the signature, Kellogg's.

Made only by Spencer Kellogg & Sons, Inc., Buffalo, N. Y., refiners of vegetable oils. For sale by Frank Kimball, 11

OUR HOME WOMEN
HAVE BEAUTIFUL HAIR

Next time you go to the theater or to the "movies" just notice, if you please, how many of our home ladies have beautiful hair—glossy, lustrous, and well-dressed. Then if you will pick out five or ten of those whose hair seems to be particularly pretty and will ask them what they use to do it, we feel sure that at least more than half of them will say "Harmony Hair Beautifier."

It is fast becoming the rage with both men and women who are particular about the appearance of their hair.

It is a little Harmony Hair Beautifier on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no heavy film, or sticky residue—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Retail Stores, and in this town only by us.—F. P. Stone, 143 Main St., Norway, Me.

Not Paint
With linseed oil at 50c to \$1, what sort of oil do you think they use in "paint" at \$1.50 to \$1.25?

That stuff is counterfeited paint. You can cheat yourself; you can't cheat Time or Weather.

Paint is a rubbery coat over wood and it keeps out water.

Counterfeit paint may look like it; counterfeit money looks like money. What are all counterfeiters for? They are all alike.

Here's Proof.
"I had my back hurt in the Boer War and two years ago I was hit by a street car. I tried all kinds of drugs without success. I saw your Liniment in a drug store and got a bottle to try. The first application caused instant relief, and now except for a little stiffness, I am almost well."—E. H. Hamilton, Franklin, Cal.

Instant Relief from Sciatica
"I was kept in bed with sciatica since the first of February, but I had almost instant relief when I tried your Liniment."—W. E. Hamilton, Franklin, Cal.

Sprained Ankle
"As a user of your Liniment for the last 15 years, I can say it is one of the best on the market. Fifteen years ago I sprained my ankle and had to use crutches, and the doctors said I would always be lame. A friend advised me to try your Liniment and after using it night and morning for three months I could walk without a cane and run as good as any of the other fellows in my department. I have never been without a bottle since that time."—Mr. William H. Briscoe, Central Islip, N. Y.

At the time that the mine was declared a fake, Boudreau and Delisle were arrested by the Federal authorities and paid a heavy penalty for using the mails to defraud.

The land on which the "mine" was located was owned by the late John Houghton. Boudreau was working in the vicinity and one day found something that looked like gold ore. He went to Boston and returned with the idea that the substance was gold. He purchased the tract of land of Mr. Houghton and after getting Mr. Delisle, who was working at Houghton's at the time, interested, formed a company and advertised the stock all over New England and Canada.

Suffered with Throat Trouble.

MR. B. W. D. BARNES, McMillville, Tenn.

After using four bottles of Peruna he claims that his throat is entirely restored to health.

Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease germs have easy access to the system.

Keep the throat well and clean. This is the way to protect yourself against contagious diseases. Gargle the throat as explained in the new "Tills of Life," sent free by the Peruna Co., Columbus, Ohio.

Mr. Barnes says: "I had throat trouble and had three doctors treating me. All failed to do me any good, and pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely cured."

That Oxford Co. Gold Mine.

Suit has been brought against Theo Boudreau and J. A. Delisle, to recover \$15,000 which was invested in the Oxford Gold Mining Co., a concern that was organized to mine gold in Byron a few years ago.

Boudreau was treasurer and Delisle, president of the company and after considerable money had been invested by credulous people, it was found that the scheme was purely a fake and that there wasn't any gold on the premises.

The stockholders concerned, who have brought suit are Almesone Descoeteaux, Bitaline Descoeteaux, Judith Descoeteaux, Mrs. Joseph Archambault, Laurent Talbot, Epiphane Tibault, Arthur Camire, Renaud Anger, Severin Girard and Henry Tessier, all of Manchester, N. H., Xavier Lesieur of Derry, N. H., and Victor Rouilland, Michael Marcoux, Alphonse Bois and Richard Carmier of Quebec.

Strength and Service

Are two important factors to be considered in making your banking connections. OUR STRENGTH is guaranteed by a liberal capital and surplus and a management regarding absolute safety as the first consideration. Twice a year a National Bank Examiner comes and examines into the affairs of the Bank and in addition we publish five times each year and forward to the Comptroller of the Currency, a statement of the condition of the Bank. This means safety for your money when deposited with us.

OUR SERVICE has developed to the point of highest efficiency through the experience of forty-two years in meeting the needs of our customers. No matter what kind of a business convenience you desire—whether foreign exchange, travelers cheques, investments for your money, telegraphing money, money orders, certificates of deposit or a bank account—it will be cared for by us with promptness, courtesy and a careful attention to details.

You are cordially invited to place your banking business in the hands of this bank which has ably served the community for so many years.

SOUTH WATERFORD.

Present to the Knight Library.
John Monroe, the Philadelphian, has recently presented to the Knight Library of Waterford a set of the valuable works of Price Collier, a distinguished traveler and author. They are "England and the Germans," "The West and the East," "India, Japan, etc."
Mr. Monroe is a son of Josiah Monroe, a life-long resident of South Waterford and one of its most respected citizens and business men. Mr. Monroe, Jr., is a retired gentleman of ample wealth, and a scholarly taste. Three years ago he erected a large, fine bungalow in the woods on the eastern shore of Keoka Lake, in which he resides with his family during several months of each summer and autumn. In this and many other ways he manifests his love for his birth town and the society of its people.

Bear Mountain Grange, under the stimulus of the new class competition for prizes organized under the direction of Worthy Lecturer Hamlin, is giving evidence of much revival of interest in the hearts of the old members and in an unusual number of applications for admission to the Company of Patrons. Sister Lizette Hall as Chief of class 4 proved her fine quality for leadership, as a good majority of her class responded to her call by the personal assistance in the entertainment.

Violin solo. Master Arnold Merrill, representing Sister Elizabeth Merrill of class 1, gave a fine recitation, Boy wanted. Sister Lizette Hall gave a big bag of beans (a bushel) by previous application and two applications for membership were received. Sister Lizette Hall as Chief of class 4 proved her fine quality for leadership, as a good majority of her class responded to her call by the personal assistance in the entertainment.

At the next meeting, March 21st degrees will be conferred.

Frank Sanderson moved on Monday to Norway village with his family. Mr. Sanderson is of the fifth generation from Stephen Sanderson, one of the old first settlers of the town who came from Littleton, Mass., in 1788 and settled on the hill in West Waterford, known ever after as the "Sanderson Hill."

Mr. and Mrs. Sanderson are to be credited with having a family of twelve children, seven sons and five daughters, only one, a daughter, having deceased.

RYEBURG.

Memorial Service. There was special service at the Congregational church Sunday evening, in honor of the late Major General, Joshua L. Chamberlain. The G. A. R. and Ladies of the G. A. R. received special invitations. The address was by Hon. A. B. Stone and Rev. J. B. Carruthers opened the exercises and special music had been prepared by a selected choir.

The address was most excellent. While not an intimate friend of Ex-Governor Chamberlain, Mr. Perry plainly showed he had taken pains to make himself entirely familiar with the life of the able General. Mr. Perry is a very pleasing speaker.

The grand old church was beautifully decorated with flags and a fine picture of General Chamberlain was in the center of the flags draped with red white and blue and a pot of white hyacinths, emblematic of the pure character of the strong man was beneath the picture.

There was a large and interesting audience present. Rev. Mr. Carruthers having sent special invitation to the different organizations.
